**Help STOP TAX-PAYER FUNDED Abortion**

Your voice could help save millions of lives. The Hyde Amendment has protected Americans from funding abortion for 45 years. It's credited with saving the lives of over 2.4 million children to date. Now, powerful members of Congress want to take away this law that both Democrats and Republicans have supported for nearly half a century. Without it, billions of taxpayer dollars could go to abortion. That means abortions would be cheaper, easier, and funded with our taxpayer dollars. It is critically important for Catholics to send a strong message before Congress moves forward to impose taxpayer-funded abortion. Because of the incredibly high stakes Congress needs to hear from a massive number of people. We need millions of Catholics to sign the petition! Please sign at [NoTaxpayerAbortion.com](http://NoTaxpayerAbortion.com) and encourage others to do the same.
