Pastor's note

All the best to families as the school year begins for kids and grand-kids. As we all begin the Fall season, it can be a good time to begin a new opportunity. There will be some new faith opportunities offered this Fall so please consider that as we get back in to routines after the summer schedule. At Sacred Heart, a men's faith study will be available soon. A women's faith study will be available as well, and Militia Immaculata is starting a series on Mary and the Bible. There will be RCIA taking place too. At Our Lady of Lourdes, a series called the Mass presented by Bishop Barron will be taking place and all three parishes can take part. At St. Philip Neri, a men's faith study will be starting and a women's faith study as well. RCIA will be available at St. Philip Neri and can be taken for those thinking about becoming Catholic and for those who are Catholic and just want to learn more. May God bless us all in this upcoming time.

Project at Sacred Heart

A request was presented to me about updates to the flooring and pews in our Church. Of course, our Church is already beautiful, but this would be an opportunity to update a little bit to keep it going well in the future as the wonderful Shrine that it is and will continue to be. Two interior designers selected three options for us to consider for material to use to reupholster the pews. There was one that was really strongly recommended to fit best in our Church and a committee of parishioners agreed with this selection. The committee had representation from Knights, Altar Society, Finance Council, and the Parish in general. The color is tan/blue/dark blue. It seems to tie in with our stain glass windows about St. Rose and tie in with the chairs in the Sanctuary. In addition to this work, a request was made to me regarding the flooring and kneelers. At this same time, we will go ahead and extend the flooring that is in the entrance way all the way through the pew area of the Church. We won't have carpet, but will rather have this new type of flooring. It is vinyl so doesn't seem to be as slick as some other material might be. The kneelers will also have new covers that tie in with the pews. This can be done without us having to move out of the Church. We may just have to move or cancel a Wednesday Mass, but otherwise it doesn't seem to be real interfering with us. It will begin soon and it is my hope that it will add to the already existing beauty of this wonderful Church and Shrine. God bless, Father Clayton

Marriage Minute

Can you say, "Politically Incorrect?" Does St. Paul really want wives to be "submissive to their husbands?" Let's take a look at the true meaning of this phrase. "Submissive" means to be "under the mission of," and St. Paul tells husbands that their mission is to "love their wives as Christ loved the Church." Considering that Christ loved the Church by laying his life down for her, this is a mission most wives can get behind when we understand it outside of today's politically-charged climate. To be mutually submissive simply means that both spouses put the good of their marriage ahead of themselves. A marriage that lives out Ephesians 5 is filled with:

- Tender respect
- Constant affirmation
- Intimate communication
- Shared responsibility
- Enduring joy

For greater understanding on this topic, read a good book on the Theology of the Body like The Good News about Sex and Marriage by Christopher West.
