**Project at Sacred Heart**

A request was presented to me about updates to the flooring and pews in our Church. Of course, our Church is already beautiful, but this would be an opportunity to update a little bit to keep it going well in the future as the wonderful Shrine that it is and will continue to be. Two interior designers selected three options for us to consider for material to use to reupholster the pews. There was one that was really strongly recommended to fit best in our Church and a committee of parishioners agreed with this selection. The committee had representation from Knights, Altar Society, Finance Council, and the Parish in general. The color is tan/blue/dark blue. It seems to tie in with our stain glass windows about St. Rose and tie in with the chairs in the Sanctuary. In addition to this work, a request was made to me regarding the flooring and kneelers. At this same time, we will go ahead and extend the flooring that is in the entrance way all the way through the pew area of the Church. We won't have carpet, but will rather have this new type of flooring. It is vinyl so doesn't seem to be as slick as some other material might be. The kneelers will also have new covers that tie in with the pews. This can be done without us having to move out of the Church. We may just have to move or cancel a Wednesday Mass, but otherwise it doesn't seem to be real interfering with us. It will begin soon and it is my hope that it will add to the already existing beauty of this wonderful Church and Shrine. God bless, Father Clayton

**Marriage Minute**

**"I love you."**

These words are so important to share with our spouse on a daily basis! However, as our readings this weekend remind us, these words can ring hollow if not backed up with the actions that convince our unique spouse of our love. To figure out your spouse's "love language." answer the following: • How does he/she attempt to get close when there is distance between you? • In what ways does your spouse excel in showing love to others? • When does your spouse feel most at ease and joyful? • What time does your spouse anticipate the most? • (When in doubt, it's okay to ASK!)

Spending our limited time, money and energy on the things that make our spouse feel loved is a very smart way to make those three little words go a long way.

**Mental Health Awareness Week October 7 - October 13, 2018**

Pope Francis has been very open about his mental health treatment received in the 1970s. It's not surprising that our holy Pontiff has the confidence to share his need for support and guidance from a mental health professional. Pope Francis is the world's most sought out Religious leader. His simplicity, humility, and transparency is the model for reducing guilt and stigma that obstruct the graces of God's healing. Please join us in the celebration of Mass as we pray for a united and compassionate community and receive the sacrament of anointing to ease the burdens of stress, grief and loss, depression, and anxiety.
