Life Chain 2024

Since 1973, approximately 62 million people have been killed by abortion in the United States. This is about 61 million more than all of the US soldiers in all of the wars since the American Revolution. As a nation, how can we stand idly by and let this continue?
Today is the day to take a few moments (1 hour) out of your busy life to stand up for those who cannot stand up for themselves. Today is the day that we join thousands across the nation and pray for an end to abortion. Please join us for the Miami County Life Chain. **Join us at 2 pm on Sunday, October 6th** in front of Landmark Bank, 1310 Baptiste Dr in Paola, to show your support for Life. TODAY is the day to make a STAND!

Kansas Catholics, Politics and the 2024 Election

Catholics are called to Faithful Citizenship, which includes voting. How do we apply our faith and a properly formed conscience to the policy issues of the day as well as our choices for elected office? These are timely and important questions as every seat in the Kansas Senate and House is up for election this year. Members of the Kansas Catholic Conference (KCC), the public policy voice of the Kansas Catholic Bishops, are offering two special presentations designed to inform voters about key issues and where candidates stand. The first presentation is set for 7 p.m. on Mon, Oct 14 at St. Michael's in Leawood. A second presentation is being offered at 7 p.m. on Mon, Oct 21 at St. Patrick's Church parish hall in KC. These presentations will cover what happened this past legislative session at the Kansas Statehouse and information about candidate surveys commissioned by the KCC will be distributed. There will also be time for questions and answers. Please come to help become better informed as you prepare to vote.
